

Learn how to set up
Enhanced Parental
Control profiles

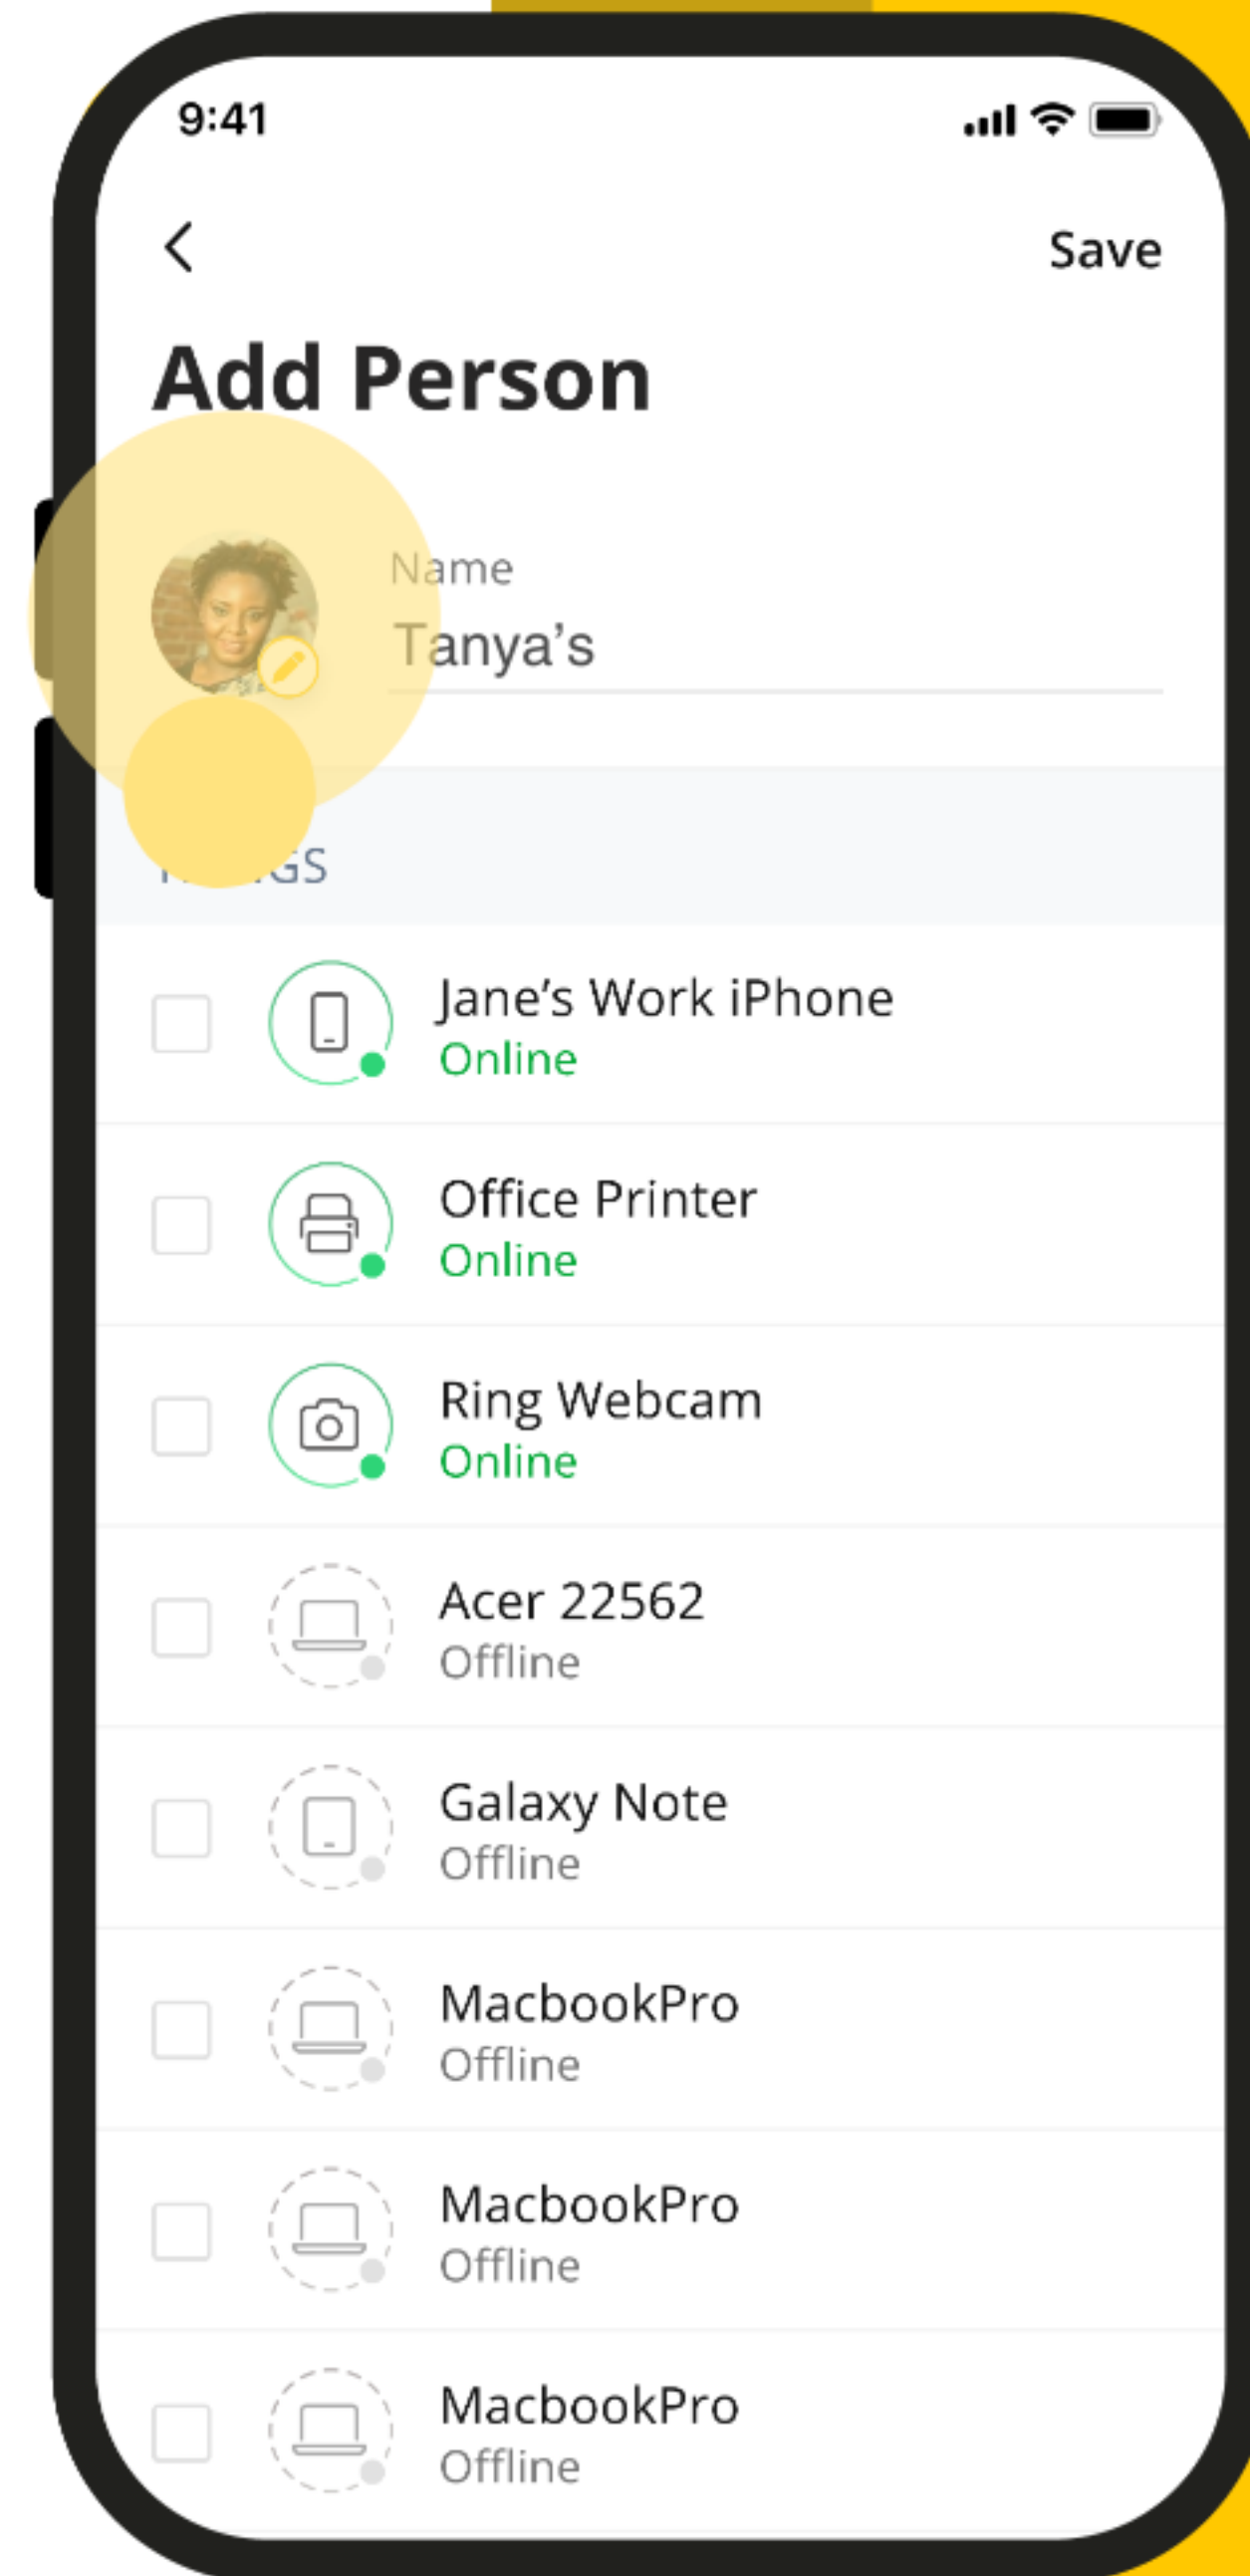

Install ExperienceIQ

To Enable ExperienceIQ tap My Network from the Main Dashboard.

Then tap Services.

People

From here, you can name the profile, add a picture and add connected devices to this person.

ExperienceIQ Controls

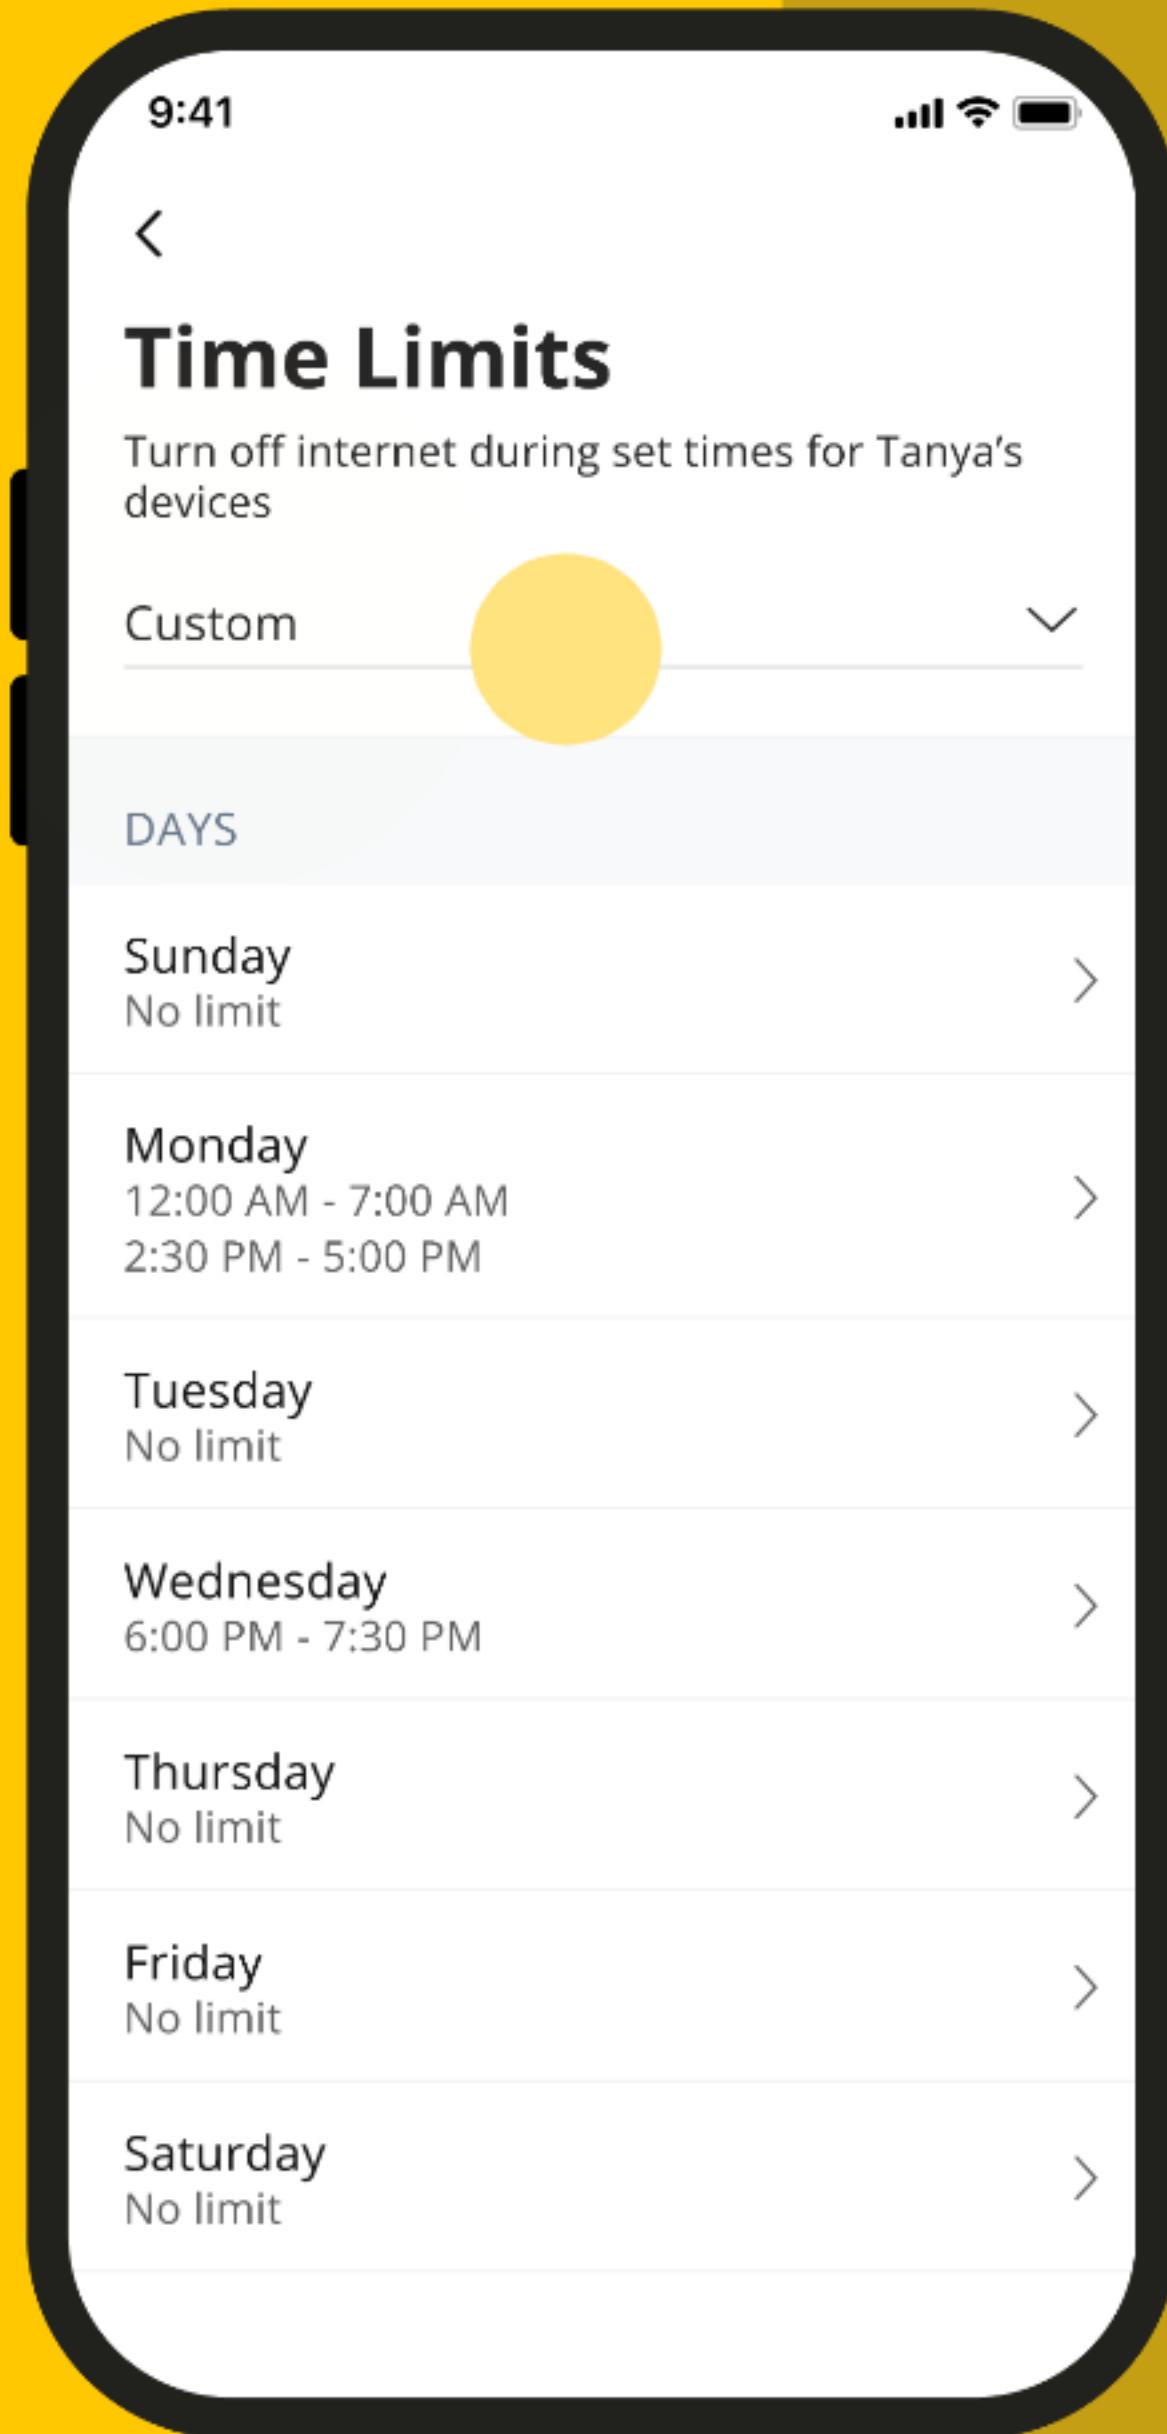

Now that the profile is set up you will see that it is Active here.

You can quickly view usage over time.

ExperienceIQ Controls

By selecting Restrictions, you can manage content by category, application or by website.

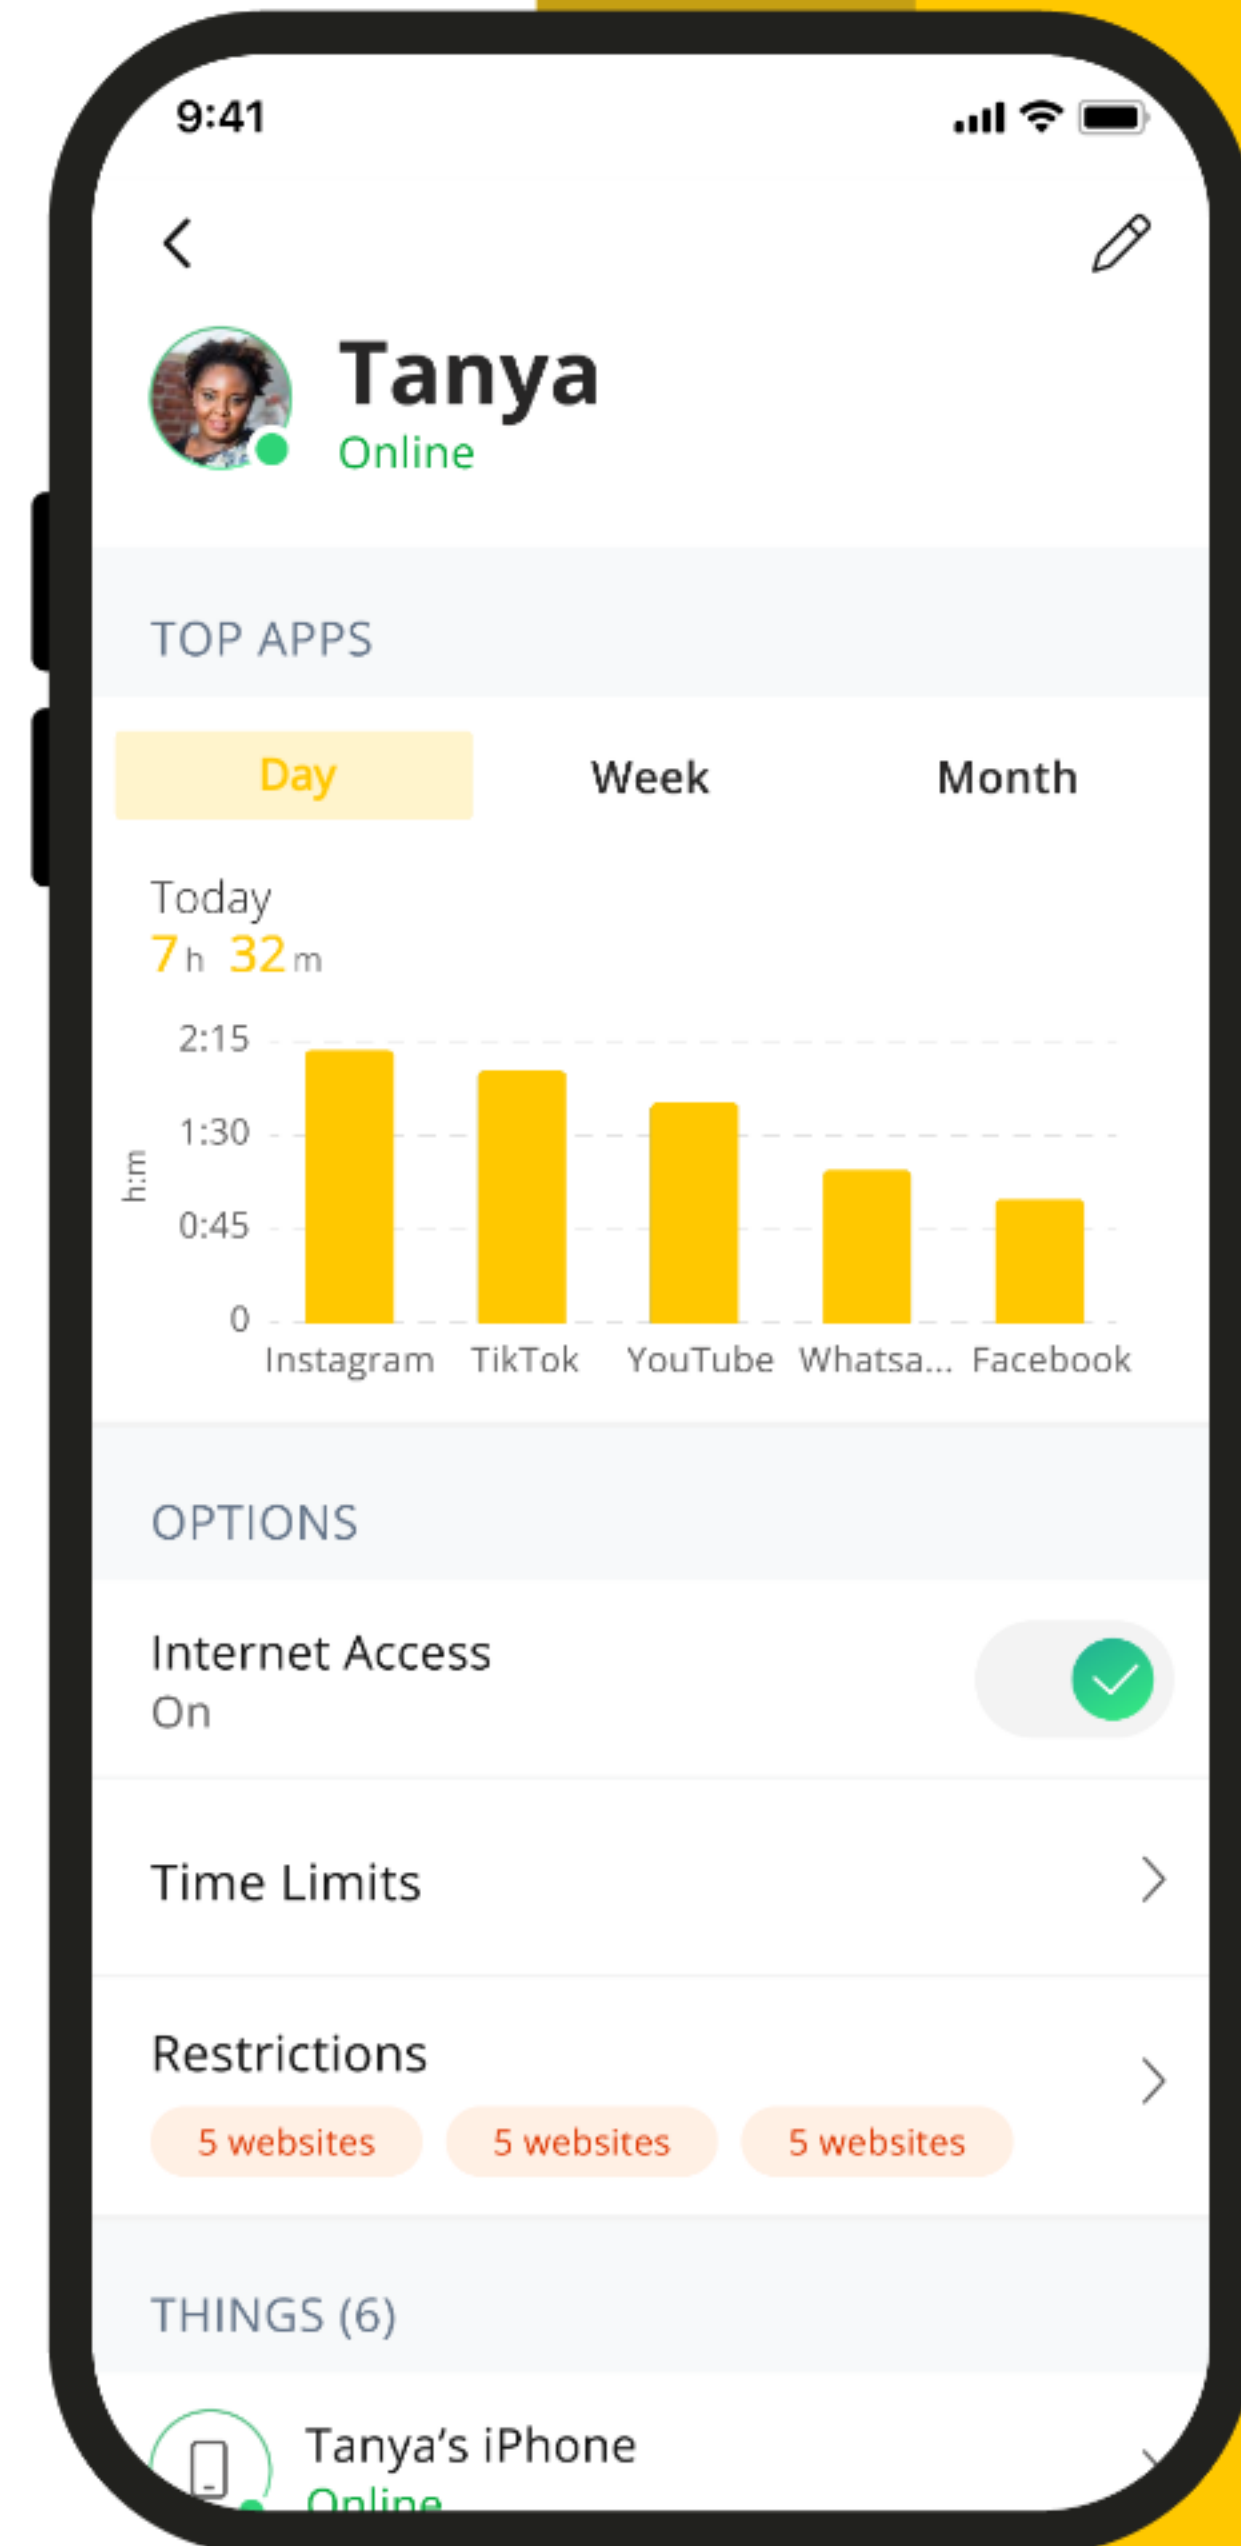

ExperientIQ Controls

You can use time limits and offline hours to limit profiles from internet access within a specific timeframe.

We don't make the rules, we just help you enforce them.
